

Fig. 2

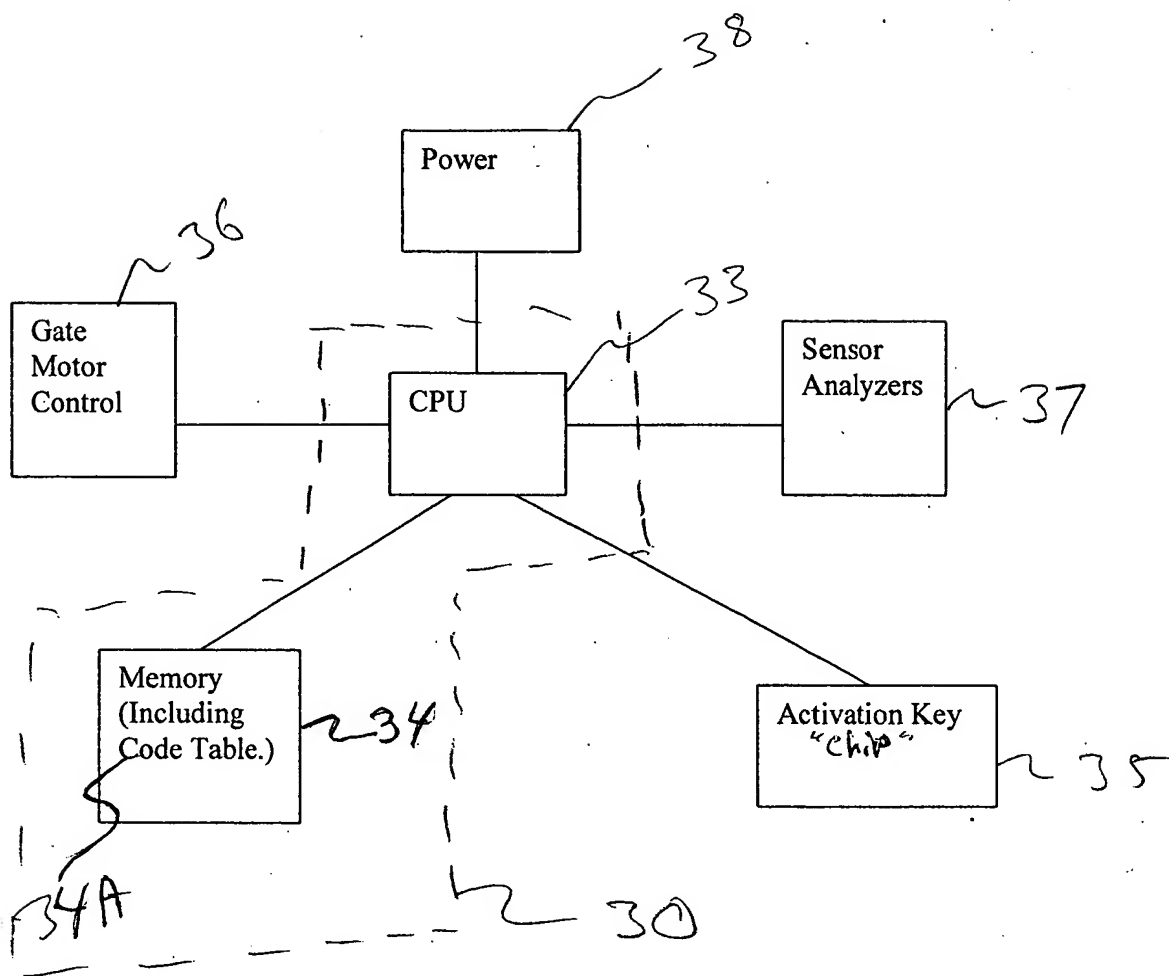

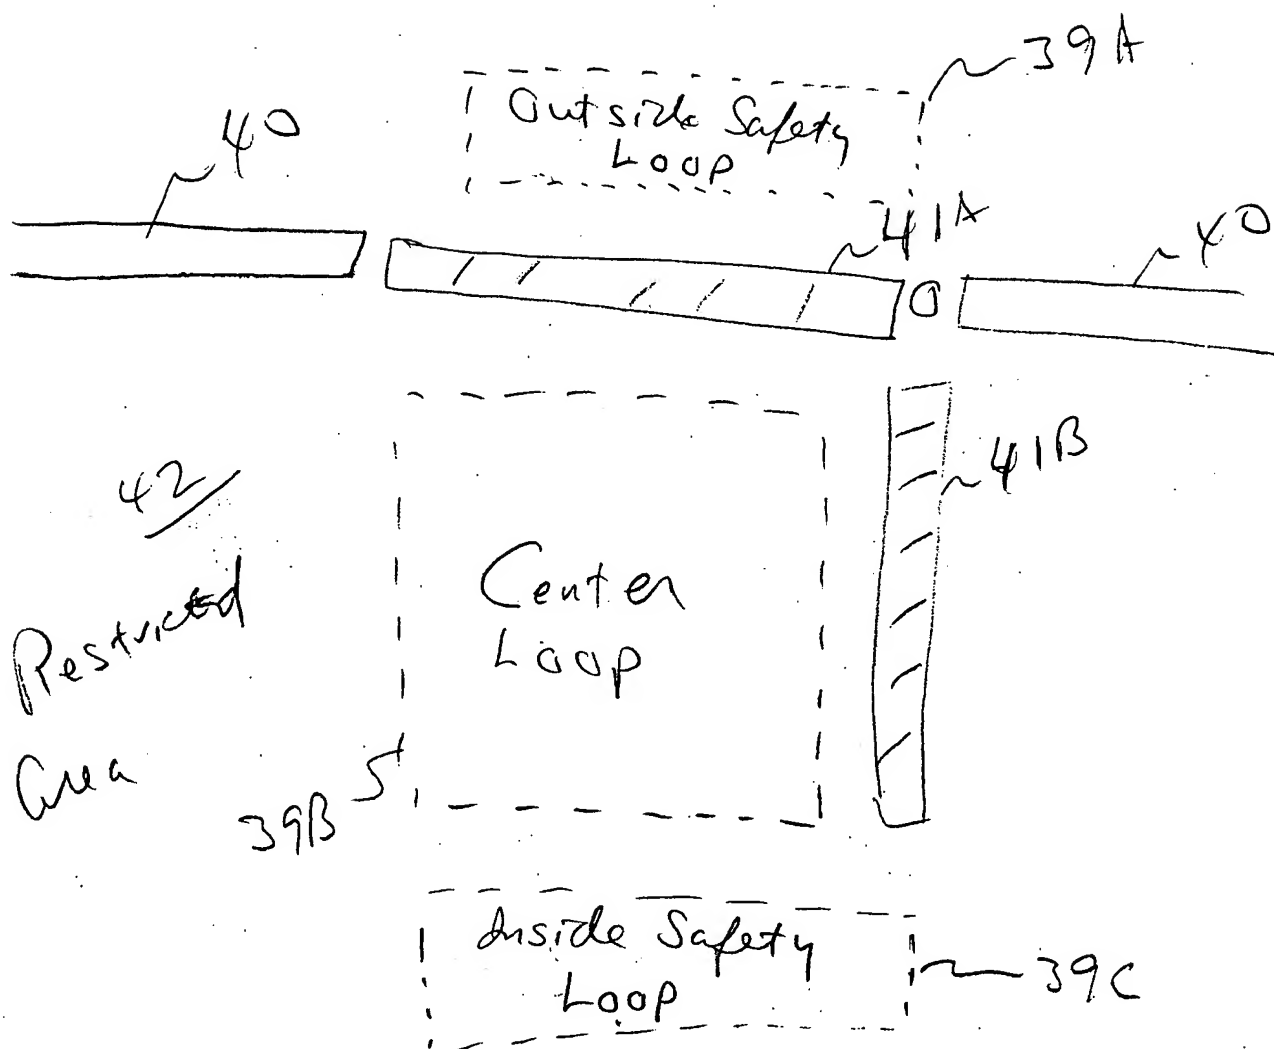

Fig. 2 A

A hand-drawn diagram of a Restricted Area. At the top, a dashed rectangle is labeled "Outside Safety Loop" with a bracket and the number "43A". Below this, a solid rectangle is labeled "Restricted Area" with a bracket and the number "40". Inside the restricted area, there is a dashed rectangle labeled "Inside Safety Loop" with a bracket and the number "44". Below the restricted area, another solid rectangle is labeled "Restricted Area" with a bracket and the number "40". At the bottom, a dashed rectangle is labeled "Inside Safety Loop" with a bracket and the number "43B".
